Charged Volume	MAX 1.0 L (500g)
Jacket	Open bath type 1.2 L
Power Supply	AC 100 V single-phase
Motor	0.2kW
Allowable speed range	300-3,000 rpm (inverter - Variable Speed)
Control Panel	All-in-one type
Weight	15 kg

External Dimensions (unit: mm)

Standard

Options

Options – Reserve Blades

Agitation blades supported by creativity. To meet the types of material to agitate as well as agitation purpose, a variety combination of agitation blades in different forms makes wide range of application possible such as dispersing, damping, milling, granulating, and drying the mixing material.
